

MemoryC.com – account info tab

This account info tab will appear after signing in

Description:

Order History	View all past orders, check status of orders, cancel unshipped orders
Edit Profile	Update name and address details along with mailing preferences
Your Wishlist	View a listing of any wishlists you have created. Use this feature to email wishlists to friends and family
Your Reviews	View and edit product reviews entered by you. Reviews will only appear on MemoryC.com once they have been verified by MemoryC.com staff
Request RMA	Use this feature to request an RMA number to return an item to us. The view will display all shipped orders, and an RMA can be requested by clicking on the product name in the relevant order
Special Requests	Use this feature to send us any special requests you may have
Logout	Sign out from our site. Any item you have in your shopping basket will be saved for next time you return to our site
